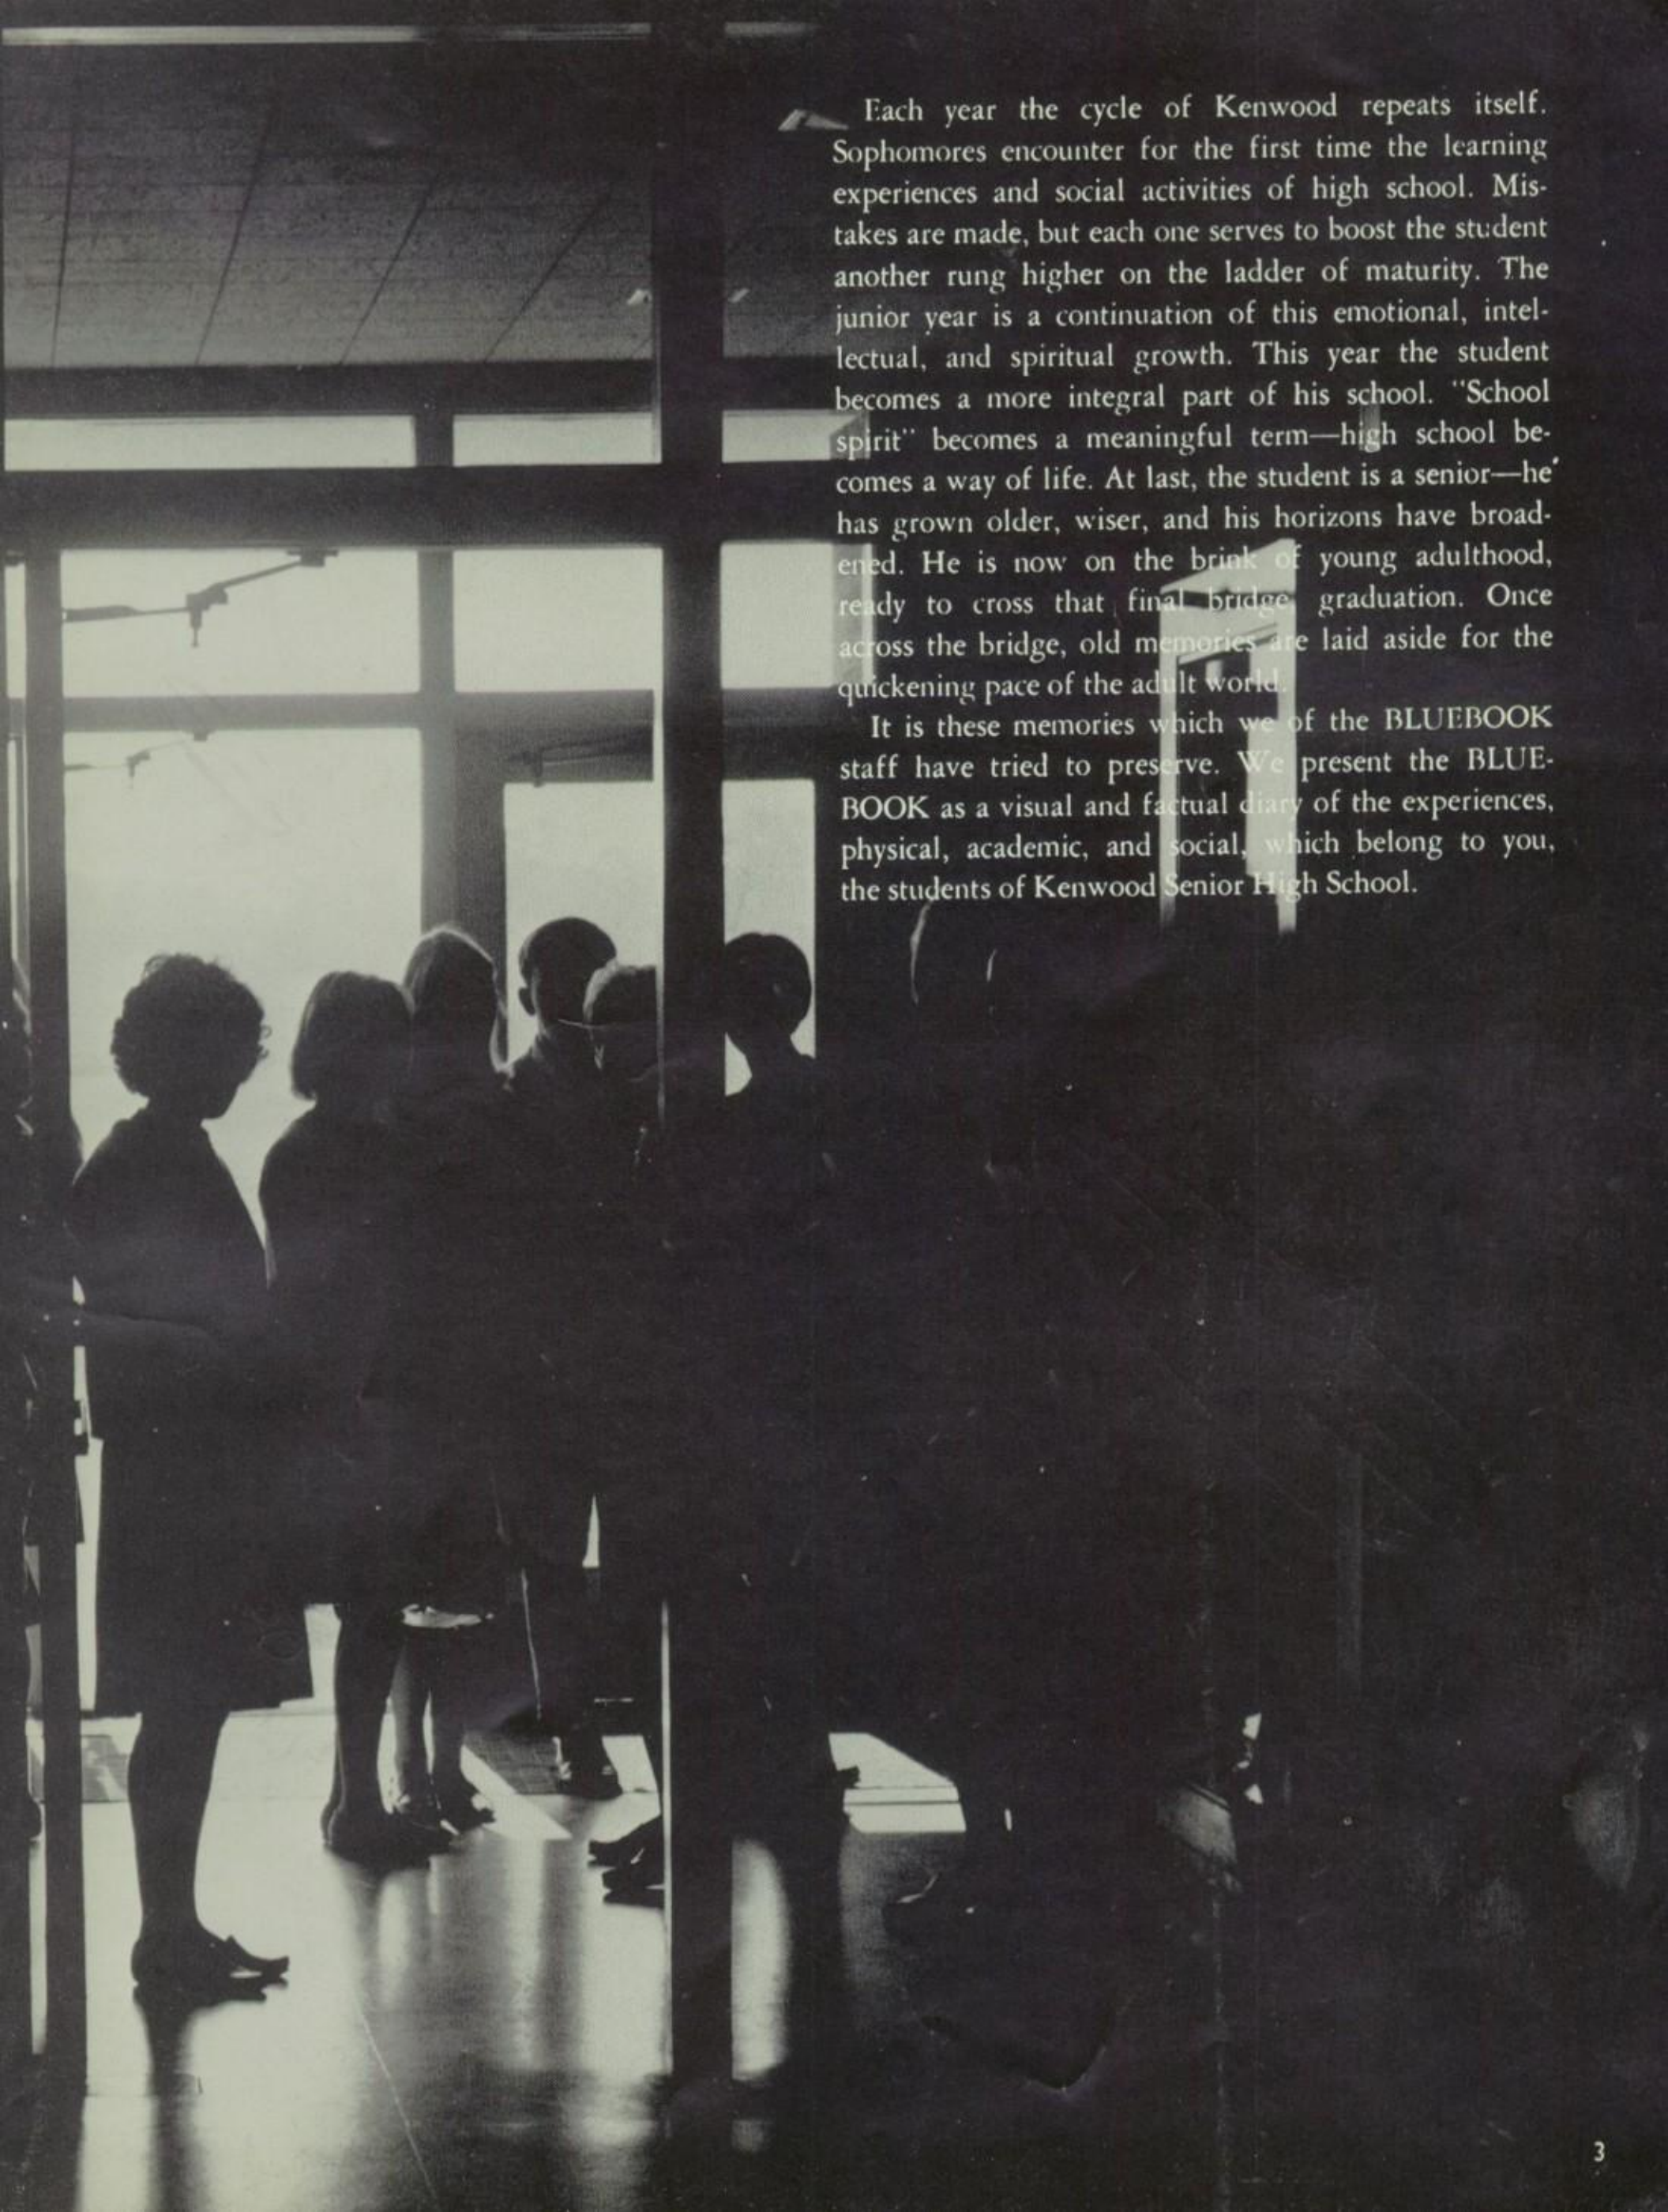
THE BLUEBOOK

Kenwood Senior High School

Baltimore 21, Maryland



Each year the cycle of Kenwood repeats itself. Sophomores encounter for the first time the learning experiences and social activities of high school. Mistakes are made, but each one serves to boost the student another rung higher on the ladder of maturity. The junior year is a continuation of this emotional, intellectual, and spiritual growth. This year the student becomes a more integral part of his school. "School spirit" becomes a meaningful term—high school becomes a way of life. At last, the student is a senior—he has grown older, wiser, and his horizons have broadened. He is now on the brink of young adulthood, ready to cross that final bridge, graduation. Once across the bridge, old memories are laid aside for the quickening pace of the adult world.

It is these memories which we of the BLUEBOOK staff have tried to preserve. We present the BLUEBOOK as a visual and factual diary of the experiences, physical, academic, and social, which belong to you, the students of Kenwood Senior High School.

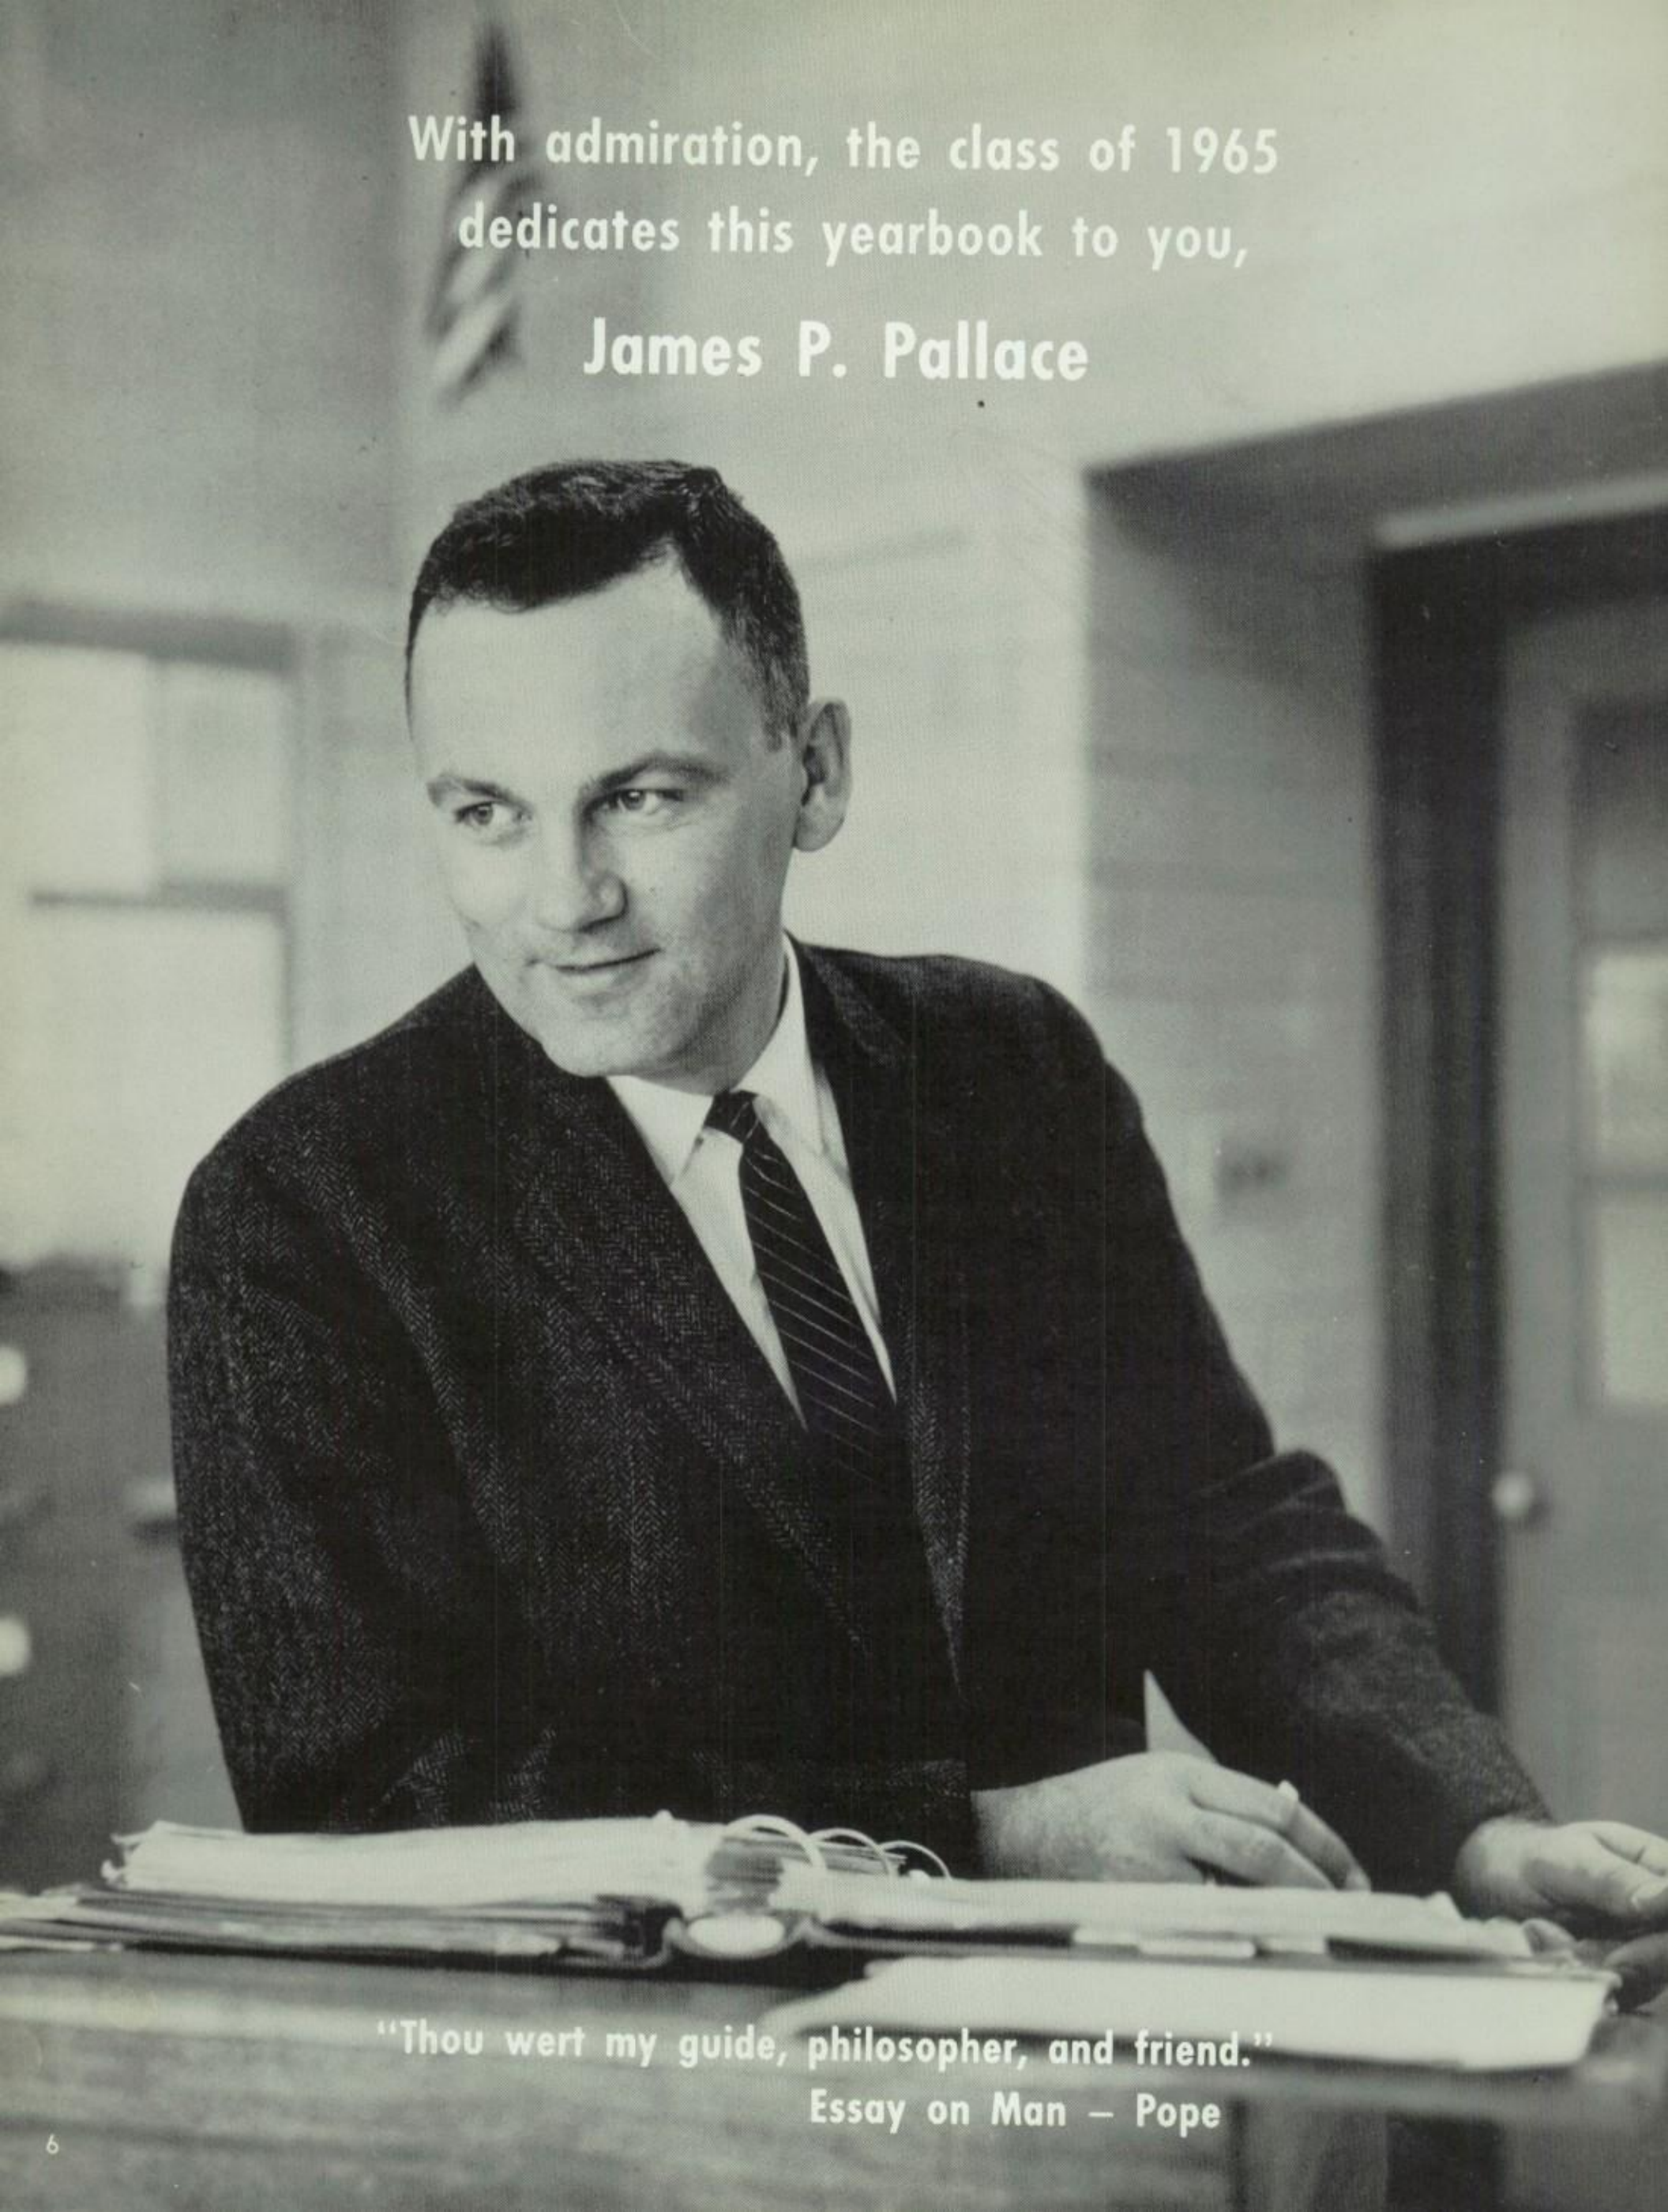
With admiration, the class of 1965
dedicates this yearbook to you,

James P. Pallace



"Thou wert my guide, philosopher, and friend."
Essay on Man – Pope

To us, you are more than a good teacher . . . more than an advisor to the junior class . . . more than an active member in the American Field Service program . . . more than a sponsor of the Debating Club . . . you are our friend. Your room is always open to anyone . . . to all problems. How many times have we heard, "Go talk to Mr. Pallace about it—he'll help you . . ." You are an inspiration and a guide to all of us at Kenwood . . . you possess a mischievous vitality . . . you radiate a zest for life . . . sometimes a stern disciplinarian and lecturer . . . at least we know that you care and will always be around when we need you . . .

Thank You

Tore

Tore sits in on a Senior English class.

Prior to the A.F.S. assembly, Tore and Mrs. Turner teach the Norwegian national anthem to a group of National Honor Society members.

American

Mr. Volpe helps Tore with a shop project.

Dear friends,

It has been a wonderful experience to live here for a year—a marvelous year.

I feel I am not able to thank you enough for what you have given me.

I will remember my friends from these the halls of a great school. I will remember the teachers that opened my mind to so many new aspects of life. I will remember you all for giving me the opportunity to learn, and for giving me the learning—about your great society.

And I will truly never forget.

This opportunity to go abroad, see, and learn to know people of other nationalities, will one day—I hope, be part of all young people's education. And I believe this could give us a new hope for world peace.

I look forward to seeing all of you, some day in the country to which my patriotism belongs, Norway, and I look forward to showing you there what we are proud of.

Until we meet again, these are my words to you: "IGJEN TAKK-OG LEV VEL," thanks again, and live well.

Your friend for always,
Tore Schmidt

Bob, his teachers, and some fellow students enjoy his farewell party.

Bob

Bob welcomes home Rafael Palma who has just returned from California on another A.F.S. program.

Field Service

A portrait of Bob's foster family

STANDING: Joshua, Cornelli, Bob, Nino. SEATED: Mrs. de la Cruz, Gilbert, Mr. de la Cruz.

During the past summer, I spent two and a half months on the other side of the world. The Philippines have been called the meeting place between the East and the West. The dark-skinned Filipinos have blended both oriental and western cultures to form a people who are truly wonderful.

I was the foster son of the Svaw de la Cruz family. Although we only spent a short time together, I grew to have a deep love and admiration for them.

During my stay in the Philippines I enjoyed many varied experiences, but the most important thing I learned was that young people everywhere think along much the same line.

An adventure such as this may come only once in a lifetime. I was very fortunate to be sent by the American Field Service, and I am truly grateful.

Thank you,
Bob Ross

Joseph T. Barlow

Principal

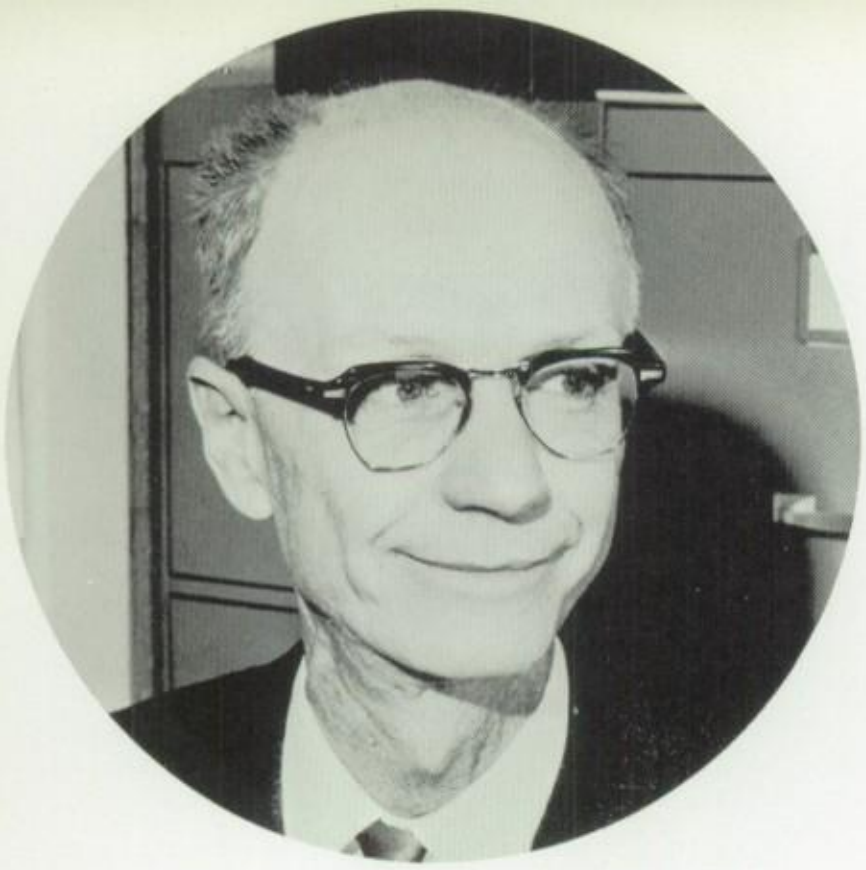
Congratulations to the Class of '65

"Ve grow oldt too soon, and too late schmart," is an old Pennsylvania Dutch saying. You have begun to grow older as you traveled through the halls of Kenwood. In these past three years you have memorized a great deal of knowledge. With this knowledge you have begun to think things through. Thinking things through has resulted in your obtaining wisdom. Wisdom is the ability to use that knowledge rightly. Whether you continue your education in college, night courses, the business world or in any other phase of our life today, you will be called upon for a display of your wisdom. Wisdom does not climb aboard every bandwagon which rumbles down the road. It listens to the music and sifts the notes and words to identify beautiful music or a tune that is not harmonious. Wisdom does not necessarily follow the crowd. It resists group pressures and thinks for itself. We hope we have begun to instill some of this wisdom in you, the Class of '65.

We grow old too soon as the saying goes, but do we have to wait too late to use wisdom? Your high school program has presented many opportunities for you to use your knowledge to further your wisdom. As you get older and from time to time reflect on these opportunities, their meaning will be as revealing as the noon-day rays of the sun. It was Guy Wagner who said, "Some people are like owls. They get the reputation for being wise just by hooting at everything." Instead of hooting we would strongly urge you to do some "rooting." Rooting to get the facts and then using your wisdom based on knowledge to make a sound decision.

To the Class of '65 goes the best wishes of the entire staff of Kenwood who are confident that you will make full and effective use of the wisdom you have gained through the experiences you have shared with your teachers and classmates here.

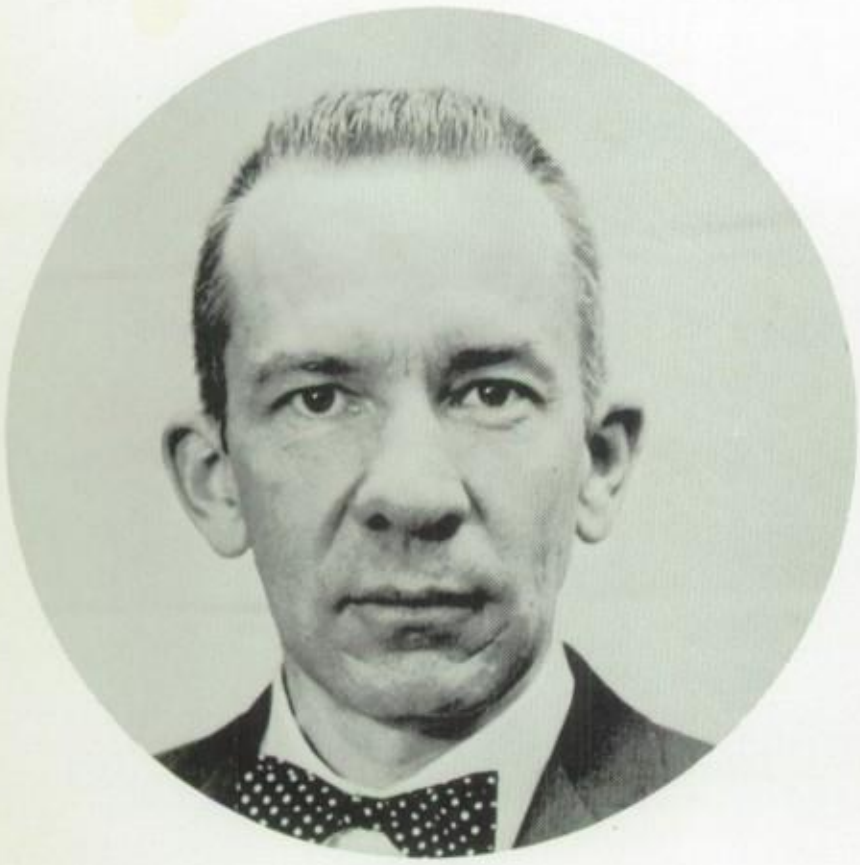
Joseph T. Barlow



Mr. Charles A. Doub, vice-principal of Kenwood, received his B.S. degree from Gettysburg College; his M.A. degree from the University of Maryland; and his Professional Diploma from Columbia University. He taught in St. Mary's County for five years before coming here. After teaching biology at Kenwood, he received the position of administrative assistant. Mr. Doub, now vice-principal, is in charge of the varied program of activities. During the past summers, he has been an active leader and supervisor of the Department of Recreation in Baltimore City.

Mr. Doub has just built a new home and in his free time enjoys gardening. Traveling is also one of his favorite pastimes; he and his wife have visited Canada, Mexico, Europe, and all of the fifty states.

Mr. Robert E. Crites, the administrative assistant of Kenwood, received his B.S. degree from Shippensburg College; his M.S. degree from Bucknell University; and he has done graduate work at Indiana University and the University of Maryland. He taught in Pennsylvania before coming to Kenwood in 1952. After teaching here for several years, he was promoted to the position of administrative assistant. Mr. Crites has been an active participant in Student Council work at Kenwood as well as regional, state and national associations. He enjoys football and basketball, and collects coins and stamps.



Dr. Austin Gisriel, vice-principal of Kenwood, received his B.S. degree, his M.A. degree, and his Ed.D. degree from the University of Maryland. He taught in Montgomery County, has worked in industrial engineering, and has worked with the State Department of Education. He then came to Kenwood and worked as the coordinator of Diversified Occupations for nine years. He was also night school principal before achieving the position of vice-principal of Kenwood.

An active member of his church, Dr. Gisriel is lay leader, and is especially interested in the elderly people of the state. He is still furthering his education at the University of Maryland.

Varsity Hockey

Our Varsity Hockey team made a good showing this year, clenching a second place for Kenwood. The team had a solid defense and a hard hitting forward line. It is evident that these two components learned to work together, judging by the scores. Even though the girls lost steam near the end of the season, we're proud of their showing.

At the end of the fall and winter sports season Kenwood placed in the upper third of the league in all sports. Some of the highlights of the two seasons were: The varsity soccer team won the Baltimore County and District III Championships. Gino Pierorazio emerged as high scorer of Baltimore County with 18 goals for the season. The junior varsity soccer team also captured the Baltimore County crown.

The cross country team won the Baltimore County Novice Meet at Hereford.

A new team, gymnastics, made its appearance at Kenwood. It posted a record of 2-4 for the season.

Varsity basketball, despite an excellent season and 15-3 record, led Baltimore County scorers averaging 27 points per game and set a new school record of 41 points in one game.

With only three undefeated men, the wrestling team finished second to Dundalk with a 6-1 record.

In the words of Mr. Patrick, "The prime reasons for having these winning teams can be traced to fine teamwork, hustle, and the desire to win."

Our Year . . .

A committee of twelve seniors plan, co-ordinate and carry out the many senior activities. They are (seated) Sharon Spath, Elaine Shaw, Nora Nelson, (standing) John Fletcher, Judy Rosengarn, Bob Becker, Linda Proffitt, Carol E. Homberg, Robo Erich, Carol Adkins, Dennis Rasmussen, and Joyce Wagner.

Posters appeared all over the school to advertise our first Senior Party.

At last we were seniors.

Getting pictures taken for the yearbook and graduation is part of being a senior.

Joyce and Dennis, both members of the steering committee, work in close contact with the sponsor in planning our many activities.

Our Senior party was a great success.

That night, November 13, we were entertained by "The Impulsions"

Cake, potato chips and pretzels were served to the hungry seniors.

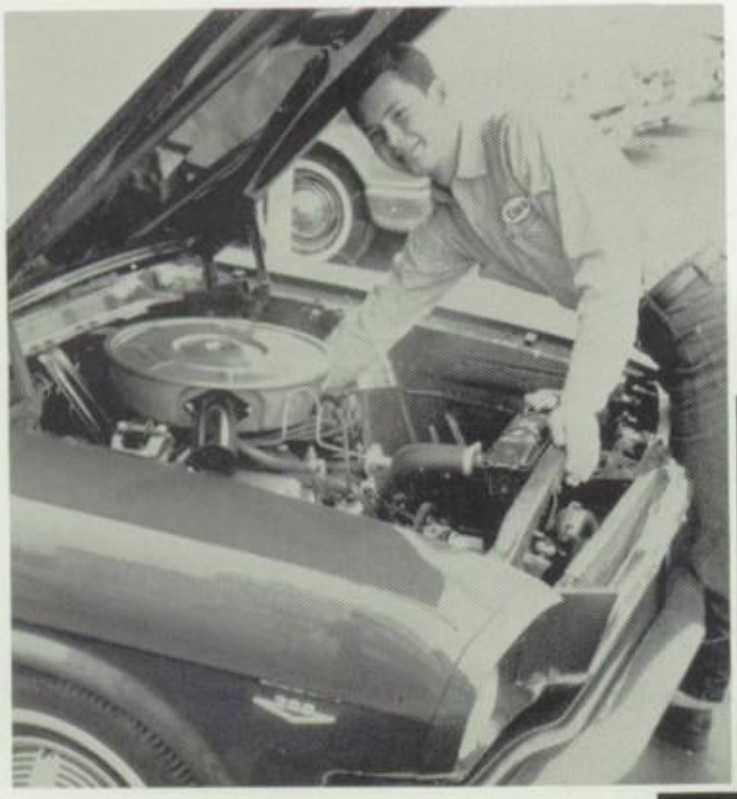
The Senior party was well attended and everyone danced until 12:00.

November 13, 1964

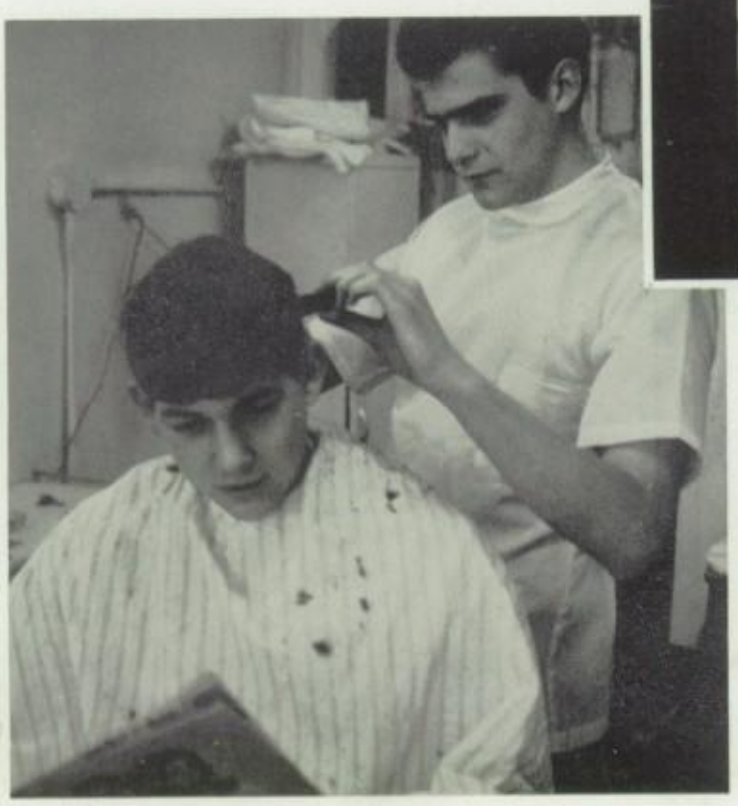
Our own group, the Dubiety Singers, also entertained us.

Diversified Occupations gave Seniors the chance for on-the-job career training.

The work done by the seniors varies from secretarial to automotive to cafeterial.



Each morning after English and history classes, the students leave for their jobs.



D.O. prepares the seniors for the business world; whether it is selling or giving a service.

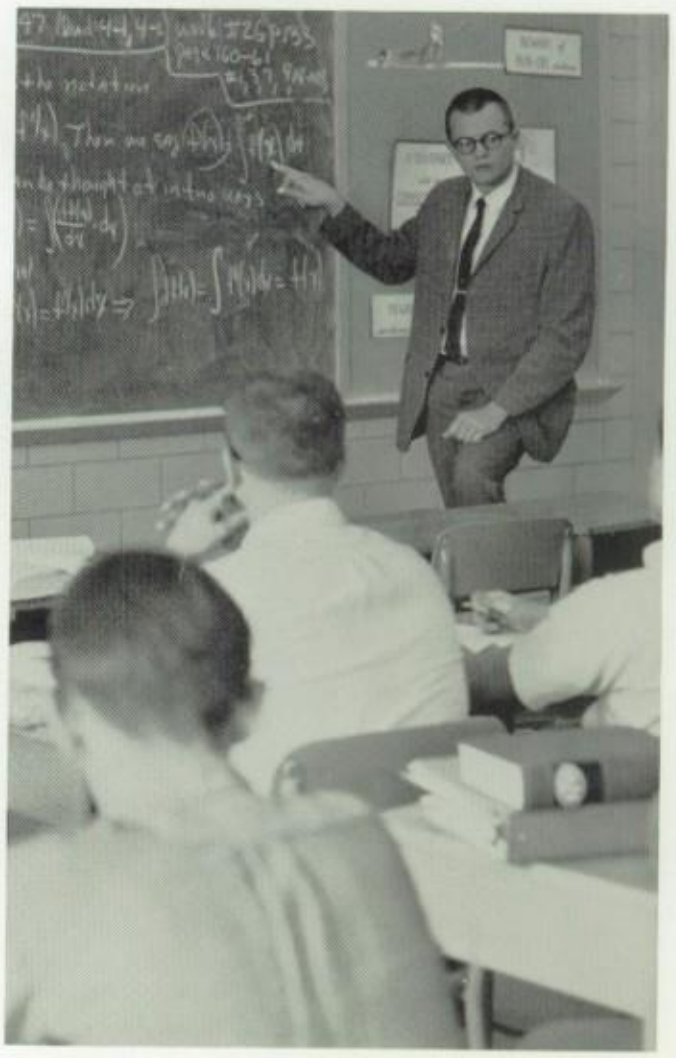
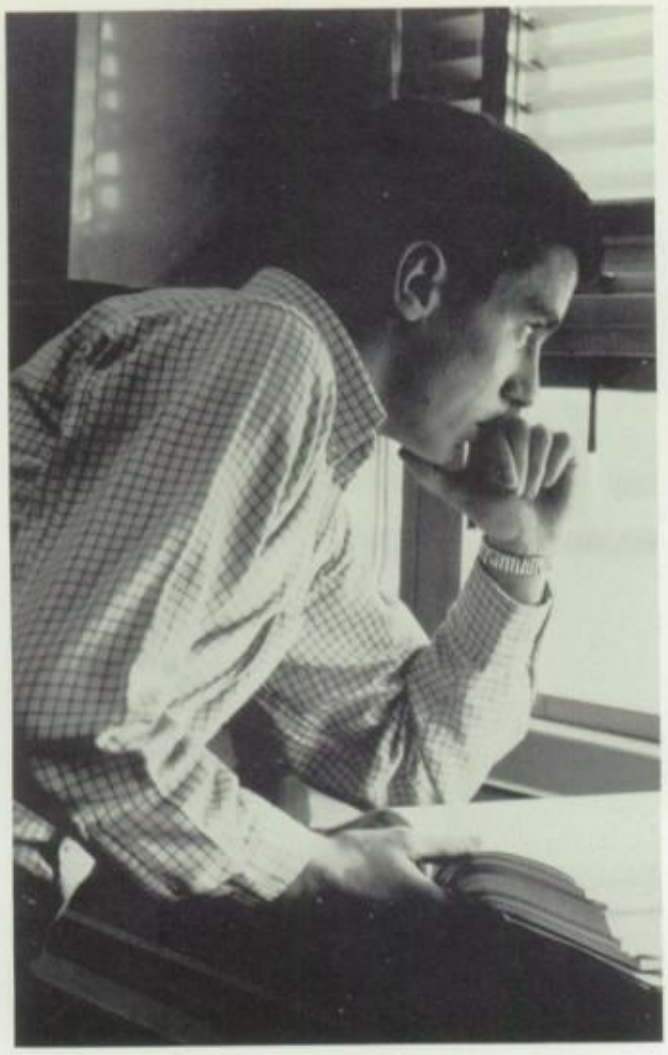
We questioned our values and searched for the Truth . . .

Our courses in the present prepare us for the future; academic seniors take calculus to help them in college math courses.





A moment out from studying to reflect . . . on school, on grades, on problems, on fun, on the future . . .

We heard shouts of Brotherhood and clamorings for Peace, yet . . .

Best All Around

Leadership, citizenship and enthusiasm were qualities of Elaine Shaw and Bo White.

Friendliest

We knew Carol Adkins and Pete Huntley by their cheery "Hello."

Most Attractive

Juanita Flury and Herb Summerfield brightened the halls of KHS.

Most Talented

Judy Norris and Tim Grey helped make *My Fair Lady* a great success.

Most Humorous

Bob Becker and Linda Proffitt kept smiles on our faces.

Most Athletic

Leading our teams were Jim Olshinsky and Phyllis Rominski.

Most Studious

"Straight A's" was the goal of Marilyn Jones and Steve Lazarus.

Most Likely to Succeed

We saw rosy futures for Bettye Cunningham and Alan Hill.

Best of Luck to you in your future years in the 10th grade. (First time Joe) Sassy '66, give or take a few years

Best of luck in the future.
